SPEEDY RELIEF AND CURE, for Lumbago, Pain in the Back, Side, Rheumatism, Neuralgia, Sore Throat, Diptheria, Toothache, Burne, Brunses and Spraine, Nervous Headache, Stiffness of the Joints, and pains of any part of the body.

This Compound has been but a short time before the public, and has already grown into great favor and repute, in nearly every instance, where it has been tried. There are cases so Chronic and deep-seated as to baffle all human remedies, and the Inventor of this Compound does not claim for it any such infallibility, as to to cure every disease under the sun, such assertions, of any human remedy, bear their own construction even to the most simple-minded; but when PAIN can be cured and relieved by Liniments and Embrocations, this Preparation will do it.

The Pain Doctor is not made up of roots or Indian remedies but is a "happy compound"

The Pain Doctor is not made up of roots or Indian remedies but is a "happy compound" of Standard Medicines, and therefore can be not HUMBUG. The Testi mony of those who have given it A Fair Trial, will substantiate all its claims. IT WILL KEEP FOR ANY LENGTH OF TIME, is Easily Applied, not at all disagreeable to the smell, and is Sold at such a Price as to be within the reach of all.

It should be kept in every Family, and is Worth Double the Price, to CURE the AILMENTS of CHILDREN. GIVE IT A FAIR TRIAL, AND YOU WILL ALWAYS KEEP IT ON HAND, among the Family Medicines.
